

Join Our Board@ The Connaught!

Service User Advocate (Non-Executive Director)

The Connaught is seeking a dedicated **Service User Advocate (Non-Executive Director)** to join our Board. This exciting role offers the chance to make a real difference to the lives of Alderney's elderly and vulnerable community.

As Service User Advocate, you will act as the **primary voice for our residents and service users**, ensuring their rights, dignity, and preferences are respected. You will establish effective feedback channels, identify opportunities for service improvement, and work closely with the Board and healthcare partners to shape services that promote independence, wellbeing, and person-centred care.

We welcome applicants with experience in advocacy, safeguarding, social care, public health, HR, or the legal sector. Strong communication skills and a passion for equality and dignity are essential.

There is a small remuneration package with this position as the time commitment is likely to be around 10 hours per month
